Attachments: Final CDE OU3 TI Report.pdf

Mr. La Gravenis

As you requested, attached is a copy of the June 2012 Final Technical Impracticability Evaluation for Operable Unit 3 – Groundwater Report for the Cornell-Dubilier Electronic Superfund site. If you have any questions regarding the report or any other questions about the site please contact me at 212 637-4947.

Regards,

Diego Garcia, Project Manager
Cornell-Dubilier Electronic Superfund Site
